INFORMATION DISCLOSURE STATEMENT

Honorable Sir:

Pursuant to Section 1.97 of Title 37 of the Code of Federal Regulations, and
prior to the issuance of a first office action, record is hereby made of information the
United States Patent and Trademark Office may wish to consider during examination of
the above-entitled application which was filed under 35 U.S.C 371. No representation
is made or intended that a prior art search was conducted, or that no better art than that
listed is available.

As this Information Disclosure Statement is being submitted prior to a first Office Action on the merits, it is respectfully submitted that no fee is required for consideration of this IDS.

The following patents were all cited in the International Search Report in the corresponding international application (PCT/EP2003/012131): US 6,265,472; US 6,211,266; EP 0 934 979; EP 0 409 115; and EP 0 345 648. The International Search Report, along with its English translation, a copy of which is attached hereto for the Examiner's convenience, serves as a statement of relevance for any non-English references above.

The following foreign patent documents were cited in the subject specification which serves as a statement of relevance for any non-English reference:
